To Whom It May Concern,

This letter serves to recommend my friend Armando Rodriguez to be bestowed the award of International Leadership Award and the Presidential Award.

I have had the privilege of knowing Armando for over 20 years, during which time I have observed his dedication to service as a member of the Lions Club. I have observed his professional growth within the organization and how well respected he has become, as well as how invested he is in achieving the established goals.

Armando has consistently demonstrated exceptional leadership and organizational skills on his current position as Governor, which has resulted in significant impact to the communities he and his organization serve.

Armando is a person of integrity and kindness, and as a friend I can declare that he puts his commitment within the organization also for his family and friends. His ability to build strong relationships not only to members of the Lions Club but also with his loved ones are proof of how an invaluable asset he is for the organization.

Please do not hesitate to contact me if you require further information or wish to discuss Armando's application in more detail.

Thanks for considering Armando for this opportunity. I am sure he is a worthy recipient of this award and that he will continue to make significant and lasting contributions to the organization.

Kind regards,
